HEAD HOOKER'S MESSAGE

PAUL WELLS

Hi Guys,

The June meeting is the final day to pay your club dues.

I will be leaving on June 14th and will return in August. I will be at the Flaming Gorge for 12 days, and then I will be going to 6 National Parks in

the US and Canada, and attending the Calgary Stampede.

Steve Nelson will be running the July meeting. Steve has, also, taken over the duties of Assistant Head Hooker. He is the contact for the Breakfast Callers for the rest of the year. Up until now, Steve has had all he could do taking care of his wife, Maureen. Thankfully her recovery is going well now!

It is great to see that guys are starting to get out and do more fishing.

With Covid under more control, people are starting to get out more and it feels like we are getting closer to normal. Since Covid, we have lost several members, thankfully none due to Covid. We need to try and get the word out about our club and invite people to come to our meetings and take a look at us.

Looking forward at seeing everyone at the meeting.

Until then, "Keep your lines tight and your nets ready."

FISHING CHAIRMAN'S REPORT

BOB SCHMIDT

After a long haul we got our first NDO and Fishing Outing in the Books. The NDO at Camanche (5/17) was a great outing with almost all the boats getting some nice size fish. I think Walt Summers might have an article on the NDO and I don't want to spoil it.

The outing and lunch at Berryessa (5/24) turned out to be quite a nice day also. It started with the Capell Cove Boat Launch Facility. It was the first time I have launched there and I know I will be using it again in the future. It's about 17 miles or 20 min past Markley Cove. I saved time by not waiting for Markley Cove to open at 6:00, going through the gate and the boating through the narrows to the Big Island. When we passed by Markley Cove at 5:50 am they were still closed. We were on the water and out by the Big Island in record time. The facility also had a nice shaded picnic area with BBQ and 3 tables that made a nice setting for our lunch and weight in. The cost was very reasonable for it was **Free** that day. The pay machine was out of service. The normal price is \$10 or \$5 if you have a Senior Federal Pass.

With the poor reports leading up to our outing at Berryessa it still turned out to be a good to fair day of fishing. It was a mix day of fish from 12" to 13" Kokanee, Rainbows small to large, Kings, and one very large Catfish caught by **Rene** at almost 12 ½ lb. **John Kinslow** fished with me and we had 3 Kokanee, 3 Rainbows and lost a few by the end of the morning.

We were off the lake at noon to prepare lunch for everybody.

Berryessa 5/24/22

Bob Schmidt 2 lb. 13 oz. Rainbow

Walt Summers 2 lb. 11 oz. Rainbow

John Kinslow 1 lb. 15 oz. Rainbow

Our next NDO on June 14 will be at Folsom Lake most likely launching at Browns Marine or Folsom Point.

TBD

Right now the Derby Outing on June 21 will be at New Melones. We still need a host for the lunch for this event.

We will be picking our next outings for **July** at our next meeting on June 10.

You haven't heard already I took **First Place** in the 2 day Kokanee Power Derby at Shasta Lake. I fished by myself with a 2 day weigh in (8 fish) at 17.23 lb. Second Place was 16.57 lb. I received a \$1500.00 check for my efforts. The next Kokanee Power Derby will be on June 11 at Don Pedro and I plan to be there. Good Luck Fishing and be Safe

NDO CHAIRMAN'S REPORT

WALT SUMMERS

Hello Jolly Hookers

This is my first report since COVID shut us down. I hadn't fished since last June until about a month ago. We arrived to a coolish morning at Lake Camanche. I partnered with Rene Villanueva. We blamed the poor early morning bite on a full moon the night before. The fishes started waking up between 10 and 11am for us. Other brothers we talked to had a similar experience.

I hooked up first using a gray and purple speedy shiner. It kept working but the other gold one yielded "nada".

The rainbows were fat and healthy; full of fight. We each lost 2 or 3 but managed 2 limits before the weigh-in.

Results were for biggest fish with Pres Paul Wells topping the scales with a 4.2 3/4 rainbow. Bob Schmidt (who dat?) Came in 2nd with 3.2 5/8. My Capt Rene Villanova was 3rd with a 2.9 7/8 pounder.

Myself? I had 3 trout up near 3 #. The biggest one lost some weight when I tore half his face off getting the hooks back.

Overall, I had a great day! I saw smiles on most of the other guys as well.

At the Derby at Berryessa, Rene and I fished with new member, Brian Huff. We had another fine day. It's good to be back.

See you at the June meeting.

TREASURER'S REPORT

BEN LASALA

Jolly Hookers Finances – June 2022

Hey guys, as always, we hope that you and your families are doing well. Through your generosity, we have some \$3700 in our treasury. Out of that total, we will be making two more insurance payments which will total about \$460. Within the next few months, we will settle on who is going to remain an active member of our club. At that point, we will have new, 2022 "Membership Roster Booklets" printed. The cost is normally around \$125 if I remember correctly. Other costs, that we will incur, will be to restock our luncheon supplies as needed, and payouts for our derbies. We should have no problem covering our expenses for the remainder of the year. I am not even sure we need to have an auction. What do you think????

We currently have 44 members who have paid their 2022 membership dues. If you are not sure if you have paid, and you want to remain a member of our club, please contact me.

Lastly, as you know, **Gary Coe - Kokanee Power** donated a rod and reel to our club that we just raffled off. I had some difficulty accounting for how much money we took in. When our club president, **Paul** asked me how much we made on ticket sales, I told him not as much as we first thought. Out of the money that I deposited last Friday, I could only account for \$290 in raffle ticket sales. Paul was disappointed at this number. He thought we had made \$340, and that is what he had told Gary. Well, today it dawned on me why the discrepancy. We sold \$80 in tickets last month which was deposited in April. So, our total intake was a fantastic **\$370!!! Wow.**

Again, I want to thank all of you for your gratuity, and **Gary Coe** for his donation. Lastly, I want to thank **John Frantz** whose idea it was for us to have a special raffle for these items.
