HEAD HOOKER'S MESSAGE

PAUL WELLS

Hi Guys,

Kokanee Power held their annual Banquet which was well represented by Jolly Hookers. There was 16 Jolly Hookers (2 Tables). There was a ceiling of 300 people and they easily met the ceiling. Prime Rib was

served..

As was voted on at the last meeting, the annual club dues of \$30 are now due. If you are unable to attend the meeting and wish to pay your dues, please mail them to Ben LaSala.

His address is:
8813 Woodman Way
Sacramento, CA 95826

We would appreciate it if you could pay your dues as soon as possible. We want to get a count of those who want to stay in the club so we can publish new Member Books.

Gary Coe has agreed to be the speaker for the next meeting. Gary always brings a lot of good information about the condition of our lakes and the planting of trout and kokanee. Gary has donated a Daiwa North Coast fishing pole and a Daiwa 300 nc reel to the club.

Thank you, Gary.

The Combo retails for \$209. We will be selling \$10 raffle tickets at our April and May meetings with a drawing of the winning ticket at the May meeting.

I hope to see all of you at the meeting.

Until then, Keep your lines tight and your nets ready!

FISHING CHAIRMAN'S REPORT

BOB SCHMIDT

Hello everyone. Some of us were able to get out and have our first Jolly Hooker outing in a long time at Collins Lake. There were only 5 boats on the lake on a very nice warm day at Collins Lake. Unfortunately, the fish weren't to cooperative. Most all of us were able to put a few fish in the boat. Cal Kellogg was right about marking lots of fish at the 30 to 40 feet and those fish were in no mood to bite. Most of the fish were caught at the surface. Water temperature started out at 55 and by 2:00 it was around 60 degrees. It was the first hot day of year and a full moon and that might have been the reason for the shut down on the bite.

At our next meeting we need to decide how we want to run our NDO's and Derbies and pick our locations for the remainder of the year? This is a list of things we need to think about and have discussion on.

1) Do we want to start having both a NDO and a Derby each month. Or, just to have one outing per month?

2) Do we want to start and having a lunch after the derby once again. Starting with April?

3) Locations: Where do you want to go fish. Do we want to pick the locations each month at our meetings as we go, or make up a schedule for the remainder of the year.

4) Do we want to have a "Fisherman of the Year", Points and Prize Money for our events as before.

5) Do we want start signing up for host for our luncheons starting in April?

I'll bring a sign-up board to the next meeting so we can pick locations and sign-up for host if needed. Everyone please, give it some thought so we can have some discussion on it at our next meeting.

Brannan Island Boat Launch and State Park is **closing indefinitely** on the **first of April** due to no contract with a source or company to manage the park. That's bad news if you like to use it. Sherman Island County Park boat ramp a few miles away is still open. Need to watch out for the stuck logs going out and the shallow water in Sherman Lake. You can reach Broad Slough and the bottom of the West Bank from there.

Be safe and good Luck Fishing

SECRETARY'S MESSAGE

JOHN KINSLOW

Hello to all. Hoping you and your families are well and to those who are not, that your all better soon. The following are those mentioned at last month's meeting regarding the Sunshine Report.

Lloyd Willoughby, ongoing medical issues.

Maureen (Steve) Nelson, recent back surgery.

Al Glaser, broken hip.

JUST ANOTHER DAY OF FISHING-Sam Osuna

John Frantz, Ron Madsen and myself decided to take our chances at Collins Lake. We thought if anything we would treat ourselves to ice cream afterwards. Well, we did just fine.

7 in the boat all very pretty and all nice size fish. One 5 pounder - by me of course. We got in the water all little after 6am--- turn the 6 upside down.

After Ron caught the first fish the bite was on for all of us. That day I realized Ron is not lucky - it's all skill for him as he used his famous Jay Fare Fly setup. I copied him and John used a worm of two. Even though we lost four fish we had a great day.

Oh,, except nobody bought me ice cream!
